10 Ways Teens Can Educate the Community About Conserving Our Resources

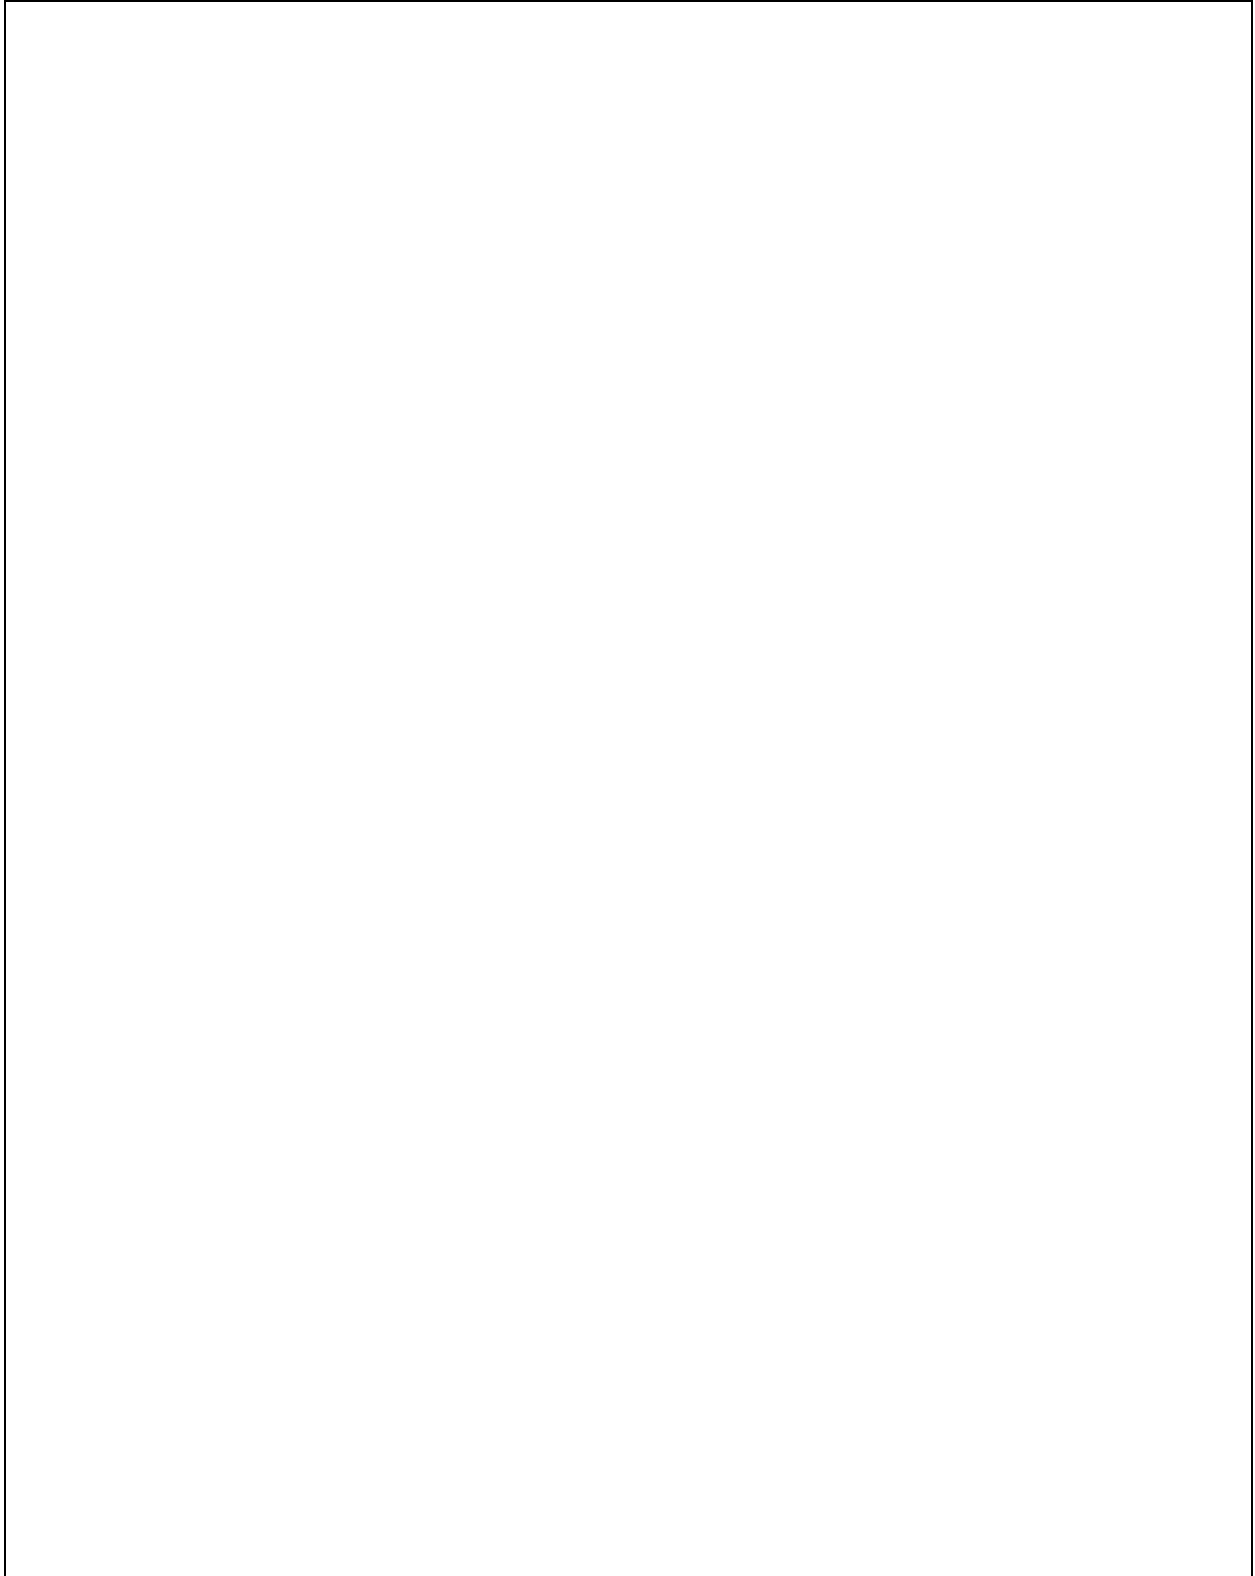

Scenario: You have been assigned to the Conservation Committee by your local mayor. He wants you to develop 10 ways teens can educate the community about conserving resources. List and describe in detail the steps you and your committee are going to take to assist with this issue. At the end of this page, answer the question below. On the next page, design a logo that will appear on literature, t-shirts, stickers and so forth.

Ten ways to educate the community about conserving our resources	Who will be the audience?	What is your desired outcome of your efforts?
1. Research the facts about the importance of conservation		
2.		
3.		
4.		
5.		
6.		
7.		
8.		
9.		
10.		

What do you think are the biggest challenges to implementing a conservation campaign in your community?

Name: _____ Period: _____ Date: _____

Design a logo that will appear on literature, t-shirts, stickers, mugs and brochures about conserving our resources.

A large, empty rectangular box with a thin black border, intended for the student to draw a logo related to conserving resources.
