12-Month Calendar Project

Independently or with a partner, create a 12-month calendar to promote safety issues for preschool to school-age children. Calendar must include tips, resources, or information on:

- child care/preschool licensing regulations
- safety issues
- child abuse
- guidance
- resources designed to care for and protect children
- immunizations
- appropriate health care
- safety for families with special needs children
- pictures related to preschool and school-age children must be on each month along with the information

You will be assessed with "Rubric for 12-Month Calendar"

Use the following tool to create the calendar:
