

## Criteria for Selecting Child Care

---

Scenario: You are a new parent of a two month old. You have to return back to work and are seeking a child care facility for your child. Develop a criteria or checklist to evaluate the child care program. Write five points of concern in each area.

| Characteristics of a Caregiver   | Toys and Equipment          |
|--|-----------------------------|
| <ul style="list-style-type: none"> <li>• Has patience to care for a child</li> </ul> |                             |
| Accreditation of the Center  | Facility, Health and Safety |
|  |                             |
| Services Offered   | Programs and Materials      |
|  |                             |
