

## Drug Dependency Rehabilitation Centers

Instructions: Research a drug dependency rehabilitation center. The research should include the following information:

- Amenities provided
- Careers related to rehab centers
- Cost of rehabilitation program
- Detoxification programs
- Effects of drug abuse and addiction
- Extended care and long-term rehabilitation
- Inpatient addiction treatment
- Intervention program
- Location
- Outpatient rehabilitation options
- Payment options or financial plans
- Physical conditions of the center
- Recovery process
- Rehabilitation process
- Residential substance abuse treatment
- Sober living services
- Staff to patient ratio

Your information will be presented as an infographic. Infographics are graphic visual representations of information, data or knowledge intended to present complex information quickly and clearly. To obtain ideas on how to design your infographic, view the infographics at

<http://teens.drugabuse.gov/educators/stats-and-infographics>

You may also use free tools for creating infographics at

<http://www.creativebloq.com/infographic/tools-2131971>

If computers are not available, you may design a poster to include all the required information.

The project will be submitted and assessed with “Rubric for Drug Dependency Rehabilitation Centers.”
