

Family Roles Tree

1. Draw a large tree trunk at the bottom of the paper. Label the tree trunk with your name.
2. Draw three branches coming out of the trunk. Label each branch with a role that you have in your life.
3. Draw in two small branches per large branch (6 total). Label each small branch with the responsibilities that you have in that role.
4. Draw large leaves at the end of each small branch. Label each leaf with appropriate actions that would be necessary to fulfill the responsibilities.
