

Glogster™ EDU Poster Promoting Health and Wellness of Children Project

Online video tutorials for Glogster™ may be found at:

<http://edu.glogster.com/?page=videos>

- 1) Create a student account in Glogster™ at <http://edu.Glogster.com/>.
- 2) Go to Poster Yourself
- 3) Create a Glogster™ using the topic assigned.
- 4) Add content to the template as described in the Glogster™ Rubric.
- 5) Save the Glogster™ presentation.

Task Description: Students will create a Glogster™EDU Poster that identifies:

- the signs of good health
- symptoms of illness in children
- child guidance practices that contribute to the health and wellness of children such as: requirements for rest and exercise
- obesity prevention
- public and personal safety
- sanitation
- Resources available for managing the health care of children such as children's insurance, Children's Health Insurance Program, and county health clinics.

Assignment may be prepared individually or with a partner.

Information will be expected to be retrieved only from reliable sources.

Students will be assessed with project rubric.
