

Interview Assignment

Interview three parents (you may interview educators if you wish) of young children between the ages of three and eight. Find out if they make any application of theory to their parenting styles. Ask them the following questions:

1. How are you influenced by theory?

2. Which of the following theorists influences your parenting style? Piaget, Vygotsky, Skinner, Freud or Gardner.

3. Describe a specific application of this theory in your parent-child relationship.

4. Additional comments:
