## Mapping the Road to a Career in Education Note-Taking

| MAIN IDEA | NOTES ON INFORMATION |
|-----------|----------------------|
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |
|           |                      |

## After the slide presentation:

With a partner, on the back of this handout, write a summary of questions, topics or statements which reflect the information from the lesson:

- Discuss the topic
- Write down your thoughts
- Make a real-world connection to the lesson
- How is this going to help you in the future?
