

## Rubric for Drug Dependency Rehabilitation Centers

Task description: In small groups, you will research a drug dependency rehabilitation center and create an infographic. The infographic will include the information listed on the “Drug Dependency Rehabilitation Center” handout. If computers are not available, you may design a poster to include all the required information.

Criteria	Weight	Exemplary	Admirable	Acceptable	Attempted
<b>Research of Topic</b>	25%	<input type="checkbox"/> Use of three or more sources, including at least two Internet and one print source <input type="checkbox"/> Information is accurate	<input type="checkbox"/> Use of two sources, including at least one Internet source <input type="checkbox"/> Most information can be confirmed	<input type="checkbox"/> Use of one Internet source <input type="checkbox"/> Some errors in information	<input type="checkbox"/> Use of only one source <input type="checkbox"/> Numerous errors in information
<b>Infographic Organization</b>	25%	<input type="checkbox"/> Logical sequencing <input type="checkbox"/> Original; inventive; creative	<input type="checkbox"/> Somewhat logical sequencing <input type="checkbox"/> Original	<input type="checkbox"/> Sequencing is poorly planned <input type="checkbox"/> Little originality	<input type="checkbox"/> Sequencing is confusing <input type="checkbox"/> Rehash of other people’s ideas
