

Safety Checklist for Securing Common Household Items

Scenario: You are going to babysit your 1-year-old and 3-year-old cousins for the weekend at your home. Your number one priority is to baby-proof your home.

With your partner, develop the safety checklist below which include the following 11 items. Identify five additional items that will require your attention in your home.

| Household Items | List two safety tips for each item |
|-------------------------------|------------------------------------|
| Cleaning products | |
| Clothing | |
| Food | |
| Furniture | |
| Gardening and garage products | |
| Medicines | |
| Outdoor play | |
| Personal care products | |

Name _____ Period _____ Date _____

| | |
|------------|--|
| Plants | |
| Toys | |
| Dishwasher | |
| | |
| | |
