Name_____ Period_____ Date_____

Technology in the Classroom

Directions: Using the same student profiles as earlier, use the Internet to search for assistive technologies that can help enhance each student's learning experience. Some helpful websites might be:

- www.ablenetinc.com,
- www.aurora-systems.com
- www.itunes.com
- http://www.educatorstechnology.com/.

Name	Technological Device	Where/how can it be found?	How will it benefit the student?
