

Travel Adventures Project

Create a multimedia presentation using PowerPoint™ or Prezi™ utilizing the **FCCLA Planning Process** to plan a travel adventure from your city/town for the following scenarios:

1. Newlywed couple on a honeymoon with a limited budget.
2. Family of five wanting to visit a theme park with a moderate budget.
3. Empty nest couple on their first cruise ship with unlimited budget.
4. Girl friends vacation to a resort with a moderate budget.
5. Family reunion with various budgets.
6. Single parent with children wanting to visit a historical site with a limited budget.
7. Family of four with grandparents wanting to visit a natural wonder with a moderate budget.
8. Blended family of seven wanting to visit an amusement park with a moderate budget.
9. Professional couple without children wanting to vacation at a beach with an unlimited budget.
10. Father and son wanting to visit a national sporting event with a limited budget.

Be sure to include:

- Destination
- Time
- Budget
- Transportation
- Lodging
- Recreation
- Meals
