

Yesterday, Today, and Tomorrow

Choose a topic listed below and create a timeline to depict how society has changed from the past, how it is today, and predict what you think will happen in the future.

Be sure to include how changes may affect the role of parents, children, and other family members.

- Cultural Diversity
- Education
- Employment
- Housing
- Media
- Parenting
- Population
- Technology
- Transportation
- Wages

You may use a:

- computer generated timeline template (Microsoft Office Word)
- graphic organizer (SmartArt)
- string with clothespins or clips
- mobile hangar
- however you choose to illustrate your project

Be prepared to present information to the class.
